

AGERA® Antioxidant Moisturizing Shield

This daily cationic moisturizer is designed for normal/dry, dry/environmentally damaged or mature skin. It helps balance the skin's water barrier and provides a protective shield against damaging environmental factors. It also delivers a steady supply of Retinyl Palmitate (Vitamin A) and Tocopheryl Acetate (Vitamin E) to help nourish the skin while defending it from harmful free radical formation.

PRODUCT BENEFITS

- Helps balance the skin's water barrier
- Provides antioxidant protection
- Defends the skin against free radical damage
- Contains Gamma-Linolenic Acid to produce a dewy complexion and help aid in collagen maintenance

KEY INGREDIENTS

Tocopheryl Acetate (Vitamin E)

Retinyl Palmitate (Vitamin A)

Beta-Glucaderm®-P (D-Glucan)

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For normal/dry/environmentally damaged/mature skin
- **DIRECTIONS:** Apply to cleansed and treated skin
- **WHEN TO USE:** Daily, as needed. Also appropriate for application following treatment products

INGREDIENTS

Aqua (Water), Lauryl Lactate, Emulsifying Wax NF, Pentaerythrityl Tetracaprylate/Tetracaprate, Cetyl Alcohol, PPG-2 Myristyl Ether Propionate, Dimethicone, Cyclopentasiloxane, Cyclohexasiloxane, Glycerin, Cetearyl Alcohol, Behentrimonium Methosulfate, Tocopheryl Acetate, Borago Officinalis Seed Oil, Panthenol, Sodium Carboxymethyl Beta-Glucan, Retinyl Palmitate, Xanthan Gum, Disodium EDTA, Arginine, Beta-Glucan, Phenoxyethanol, Methylparaben, Ethylparaben, Butylparaben, Propylparaben

AGERA® LABORATORIES Oil-Free Plus Moisturizer

This oil-free hypoallergenic cream is specifically designed to form a dry, invisible barrier moments after application to lock in moisture and help keep out harmful environmental elements such as pollution, dryness, and wind. Because it delivers Tocopheryl Acetate (Vitamin E) and Beta-Glucaderm®, it helps prevent free radical damage and promote healthy skin texture. Applied daily as a base under makeup, this moisturizer offers an array of benefits for all skin types, even problem skin.

PRODUCT BENEFITS

- Appropriate for normal/oily/acne-prone skin types
- Contains no irritating oils or fragrances
- Contains Tocopheryl Acetate (Vitamin E) for excellent moisturizing
- Contains unique texturizing agents and Beta-Glucaderm® to help visibly improve the look and feel of skin

KEY INGREDIENTS

Tocopheryl Acetate (Vitamin E)
Beta-Glucaderm®

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For normal/oily/acne-prone skin
- **DIRECTIONS:** Apply to cleansed and treated skin
- **WHEN TO USE:** Daily, morning and evening, as needed or after treatment products

INGREDIENTS

Aqua (Water), Cyclopentasiloxane, Cyclohexasiloxane, Dimethicone Crosspolymer, Dimethicone, Behenoxy Dimethicone, Behentrimonium Methosulfate, Cetearyl Alcohol, Tocopheryl Acetate, Steareth-21, Steareth-2, Polyacrylamide, Sodium Carboxymethyl Beta-glucan, C13-14 Isoparaffin, Laureth-7, Beta-glucan, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Propylene Glycol, Diazolidinyl Urea, Methylparaben, Propylparaben, Triethanolamine

AGERA® LABORATORIES Recovery Complex

This moisturizing cream is designed to protect, soothe, and reduce the redness associated with skin resurfacing procedures, such as microdermabrasion and mild chemical peels. It does not contain Cortisone or Hydrocortisone. It helps minimize transdermal water loss and offers a soothing, calmative effect to irritated skin, while promoting renewal.

PRODUCT BENEFITS

- Soothes and calms the skin
- Does not contain Cortisone or Hydrocortisone
- Produces no sting upon application
- Contains CM glucans and plant-derived anti-irritants
- Provides antioxidant protection with MagC® and Vitamin E (Tocopheryl Acetate)

KEY INGREDIENTS

MagC® (Magnesium Ascorbyl Phosphate)
Prolifersyn® (Myristoyl Hexapeptide-4)
Palmitoyl Hydrolyzed Wheat Protein
Sigesbeckia Orientalis Extract
Centaurium Erythraea Extract

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For all skin types
- **DIRECTIONS:** Apply cream after cleansing with AGERA® Laboratories Ultra Mild Cleanser. This product should be applied twice daily, after AGERA® Laboratories MagC® Peptide Serum, or as needed for the first 3 to 5 days following microdermabrasion or mild chemical peels
- **WHEN TO USE:** After prolonged sun exposure, microdermabrasion procedures, and mild chemical peels. For best results, use after application of MagC® Peptide Serum. Continue use until redness and skin sensitivity is diminished

INGREDIENTS

Aqua (Water), Cyclopentasiloxane, Cyclohexasiloxane, Ethoxydiglycol, Glycerin, Cetearyl Alcohol, Dimethicone, Behenoxy Dimethicone, Behenyl Alcohol, Glyceryl Polymethacrylate, PEG-7 Glyceryl Cocoate, Centaurium Erythraea Extract, Cetearyl Glucoside, PEG-8, Behentrimonium Methosulfate, Palmitoyl Oligopeptide, Myristoyl Hexapeptide-4 (Prolifersyn®), Lecithin, Palmitoyl Myristyl Serinate, Parfum, Sigesbeckia Orientalis Extract, Magnesium Ascorbyl Phosphate (MagC®), Palmitoyl Hydrolyzed Wheat Protein, Tocopheryl Acetate, Sodium Carboxymethyl Beta-glucan, Beta-glucan, Phenoxyethanol, Caprylyl Glycol

AGERA® LABORATORIES Ultra Moisture Complex

This elegant moisturizer is specifically designed for mature and dry skin. Ceramides give skin resiliency and help reduce the appearance of fine lines and wrinkles. Vitamins A, E, and C (MagC®) help prevent free radical damage. Prolifersyn®, a highly effective anti-aging Lipopeptide, is designed to improve skin texture and tone.

PRODUCT BENEFITS

- Contains Prolifersyn®, shown in cell culture data to stimulate collagen and elastin production
- Contains high levels of stabilized Vitamin C (MagC®)
- Contains ceramides to help firm and provide resiliency to skin
- Delivers Vitamins A and E
- Provides powerful moisturizers and antioxidants
- Includes phytoestrogen (Wild Yam Extract) to help enhance moisture retention
- Delivers Omega-3 and Omega-6 fatty acids designed for mature skin elasticity

KEY INGREDIENTS

MagC® (Magnesium Ascorbyl Phosphate)

Prolifersyn® (Myristoyl Hexapeptide-4)

Retinyl Palmitate (Vitamin A)

Tocopheryl Acetate (Vitamin E)

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For mature/dry skin
- **DIRECTIONS:** Apply to cleansed face, neck, and décolleté
- **WHEN TO USE:** Daily, morning and evening. Apply after treatment products, such as AGERA® Laboratories Microemulsion Antioxidant Serum and AGERA® Laboratories MagC® Peptide Serum
