

AGERA® LABORATORIES Daily Moisturizing Protector—SPF 25

This mild daily moisturizer is specifically designed for all skin types. It is a multiple-function formula that hydrates while maintaining the skin's natural pH and providing UVA/UVB sun protection. It helps balance the skin's water barrier and provide a protective shield against environmental factors.

PRODUCT BENEFITS

- Free of harsh chemicals or fragrances
- Protects against harmful UVA/UVB rays with SPF 25
- Deep cleans to help control problem skin conditions
- Provides mild exfoliation

KEY INGREDIENTS

Ethylhexyl Methoxycinnamate (7.5%)
Benzophenone-3 (4.0%)
Butyl Methoxydibenzoylmethane (1.0%)

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For all skin types
- **DIRECTIONS:** Apply liberally to cleansed and treated skin
- **WHEN TO USE:** Apply in the morning and a makeup base or alone to protect against sun exposure. Apply after treatment products

AGERA® LABORATORIES Ultra Performing Sunscreen—SPF 25

The world’s most modern sunscreen combines with the most advanced anti-aging peptide available. This sunscreen breaks new ground with the latest Titanium Dioxide and Zinc Oxide nanotechnology that helps form invisible, chemical-free protection against UVA and UVB rays. Advanced silicone elastomers give this sunscreen a silky feeling on application, providing an excellent makeup base. Lightweight and lightly tinted, it is nongreasy and highly water resistant.

PRODUCT BENEFITS

- Recommended for all skin types
- Creates a chemical-free barrier against the sun
- Provides full-spectrum sun protection (SPF 25) against both UVA and UVB rays
- Includes Prolifersyn® (Myristoyl Hexapeptide-4) to aid in maintaining collagen and elastin balance in skin

KEY INGREDIENTS

Prolifersyn® (Myristoyl Hexapeptide-4)
Titanium Dioxide (10.92%)
Zinc Oxide (3.89%)

INSTRUCTIONS FOR USE

- **SKIN TYPE:** For all skin types
- **DIRECTIONS:** Apply liberally to cleansed skin
- **WHEN TO USE:** Use in the morning as a makeup base. Reapply as necessary if skin is exposed to sun for long periods of time

INGREDIENTS
